The report on Judicial Statistics of Pakistan is published on annual basis by the Law and Justice Commission of Pakistan to provide the policy makers a detailed set of data pertaining to performance of Superior and District Courts. The details of the sanctioned and working strength of Hon'ble Judges and staff of the Supreme Court, Federal Shariat Court, High Courts and Judicial Officers working in the District Judiciary are provided in their respective section. The following table shows number of sanctioned and working positions of Hon'ble Judges in the Superior Courts.

Federal Shariat Court	8	4	4
Lahore High Court	60	35	25
High Court of Sindh	40	28	12

High Court of Balochistan	15	11	4
Islamabad High Court	13	8	5
<b>Total – Superior Courts</b>	<b>200</b>	<b>124</b>	<b>76</b>

# **Supreme Court of Pakistan**

## 1. Supreme Court of Pakistan

The Supreme Court of Pakistan is constituted under the Article 176 of the Constitution of the Islamic Republic of Pakistan. It is the highest appellate court of the country and court of last resort. It is the final arbiter of the law and the Constitution.

### 1.1 Jurisdiction of the Supreme Court

The Supreme Court exercises original, appellate and review jurisdiction.

- In its **Original Jurisdiction** under Article 184(1) of the constitution it adjudicates disputes between any two or more governments and in this respect the Supreme Court pronounces declaratory judgements only.
- Moreover, under Article 184(3) of the constitution, if the Supreme Court considers that a **Question of Public Importance** with reference to the enforcement of any of the **Fundamental Rights** conferred by Chapter I of Part II is involved, have the power to make an order of the nature mentioned in the said Article.
- In its **Appellate Jurisdiction**, the Supreme Court hears and determines Appeals from Judgements, Decrees, Final Orders or Sentences of a High Court.

- In its **Advisory Jurisdiction**, the President of Pakistan may seek the opinion of the Supreme Court of Pakistan on any question of Law which he considers of Public Importance.

The Constitution provides for the independence of judiciary and its separation from the executive. The Constitution assigns the Supreme Court a unique responsibility of maintaining harmony and balance between the three pillars of the State, namely, the Legislature, the Executive and the Judiciary. As guardian of the Constitution, the Court is required to preserve, protect and defend this basic document.

Under Article 189 of the Constitution, the decisions of Supreme Court are binding on other courts and under Article 190 of the Constitution all executive and Judicial Authorities shall act in aid of the Supreme Court of Pakistan.

## **1.2 Constitution of the Supreme Court and Appointment of Supreme Court Judges.**

Under Article 176 of the Constitution of the Islamic Republic of Pakistan, the Supreme Court of Pakistan shall consist of a Chief Justice, to be known as the Chief Justice of Pakistan and so many other judges as may be determined by an Act of Parliament. Presently, besides the Chief Justice of Pakistan, 16 other judges are working the Supreme Court of Pakistan.

Under Article 177 of the Constitution of the Islamic Republic of Pakistan, the Chief Justice of Pakistan and each of the other Judges shall be appointed by the President in accordance with Article 175A.

Under Article 177(2) a person shall not be appointed a Judge of the Supreme Court of Pakistan unless he is a Citizen of Pakistan and has for a period of, or for periods aggregating, not less than five years being a Judge of a High Court; or has for a period of, or for periods aggregating, not less than fifteen years been an Advocate of the High Court.

Under Article 175A Judicial Commission of Pakistan has been constituted for appointment of Judges of the Superior Judiciary. For appointment in the Supreme Court, the Commission shall consist of Chief Justice of Pakistan as Chairman, four most senior Judges of the Supreme Court of Pakistan, a former Chief Justice or a former Judge nominated by

the Chief Justice of Pakistan in consultation with the four member Judges, Federal Minister for Law and Justice, Attorney General for Pakistan and Senior Advocate of the Supreme Court of Pakistan nominated by the Pakistan Bar Council.

The Committee after receipt of nomination from the Commission may confirm the nominee by majority of its total membership within fourteen days, failing which the nomination shall be deemed to have been confirmed. However, the Committee may not confirm the nomination for reasons to be recorded, by three-fourth majority within said period and forward it to the Commission through Prime Minister and in such case the Commission shall send another nomination. The Committee shall send the name of the nominee confirmed by it or deemed to have been confirmed to the Prime Minister who shall forward the same to the President for appointment.

### **1.3 The Court Administration**

The administration of the Court is headed by the Registrar who functions under the supervision of the Chief Justice of Pakistan. In the performance of his functions under prescribed rules, the Registrar is aided and assisted by the Additional Registrars, Deputy Registrars, Assistant Registrars, Court Associates, Researchers and supporting staff etc. The Court, with approval of the President of Pakistan is empowered to make rules providing for appointment of its staff and determining the terms and conditions of their service. Such rules empower the Hon'ble Chief Justice to exercise such powers in respect of officers and staff of the Court the powers which the President of Pakistan exercises in respect of the Federal Government employees.

To facilitate the litigant public and ensure prompt disposal of cases, the Court generally operates through benches, working at the Principal Seat and the 4 Branch Registries, one at each provincial metropolis. Such benches work, almost round the year. Whereas the constitution of Benches and their operation in various cities facilitate the public and ensures justice at the doorstep; the system does affect the quality of judgments and deprives the Court of collective wisdom, so very vital for the apex Court, dealing with important issues, involving the interpretation of law/Constitution. There is, therefore, perhaps a need to re-examine the wisdom of bench system, which is however not possible with the present workload, and rising trend of institution of cases, due to the wider jurisdiction of the Court.

#### **1.4 The Supreme Judicial Council**

The Supreme Judicial Council has been established under Article 209 of the Constitution of the Islamic Republic of Pakistan. It is comprised of the Chief Justice of Pakistan as Chairman, two most senior Judges of the Supreme Court and two most senior Chief Justices of High Courts as members. The Registrar, Supreme Court of Pakistan acts as its Secretary. On a reference received from President of Pakistan or through suo-moto action, the Supreme Judicial Council investigates the matter and presents its findings to the President of Pakistan. If the Council decides that the Judge is incapable of performing the duties of office or is guilty of misconduct, and therefore should be removed from office, the President of Pakistan may order the removal of such judge.

# **Federal Shariat Court**

## 2 Federal Shariat Court

The preamble to the Constitution of Islamic Republic of Pakistan explicitly affirms that sovereignty over the entire universe belongs to Almighty Allah alone and the authority to be exercised by the people of Pakistan within the limits prescribed by Him is a sacred trust. Article 2A lays down that the principles and provisions set out in the Objectives Resolution are a substantive part of the Constitution.

Article 227 makes it incumbent that all existing laws shall be brought in conformity with the Injunctions of Islam as laid down in the Holy Quran and the Sunnah of the Last Prophet (Peace Be upon Him). In order to speed up the process of Islamization in the country a Constitutional Amendment was made in 1979 for setting up Shariat Benches in the Provincial High Courts. The judgment/orders of the Shariat Benches were made binding. However, soon after need was felt for the establishment of an independent institution for the purpose. So under Article 203-C of Chapter 3-A of the Constitution (as substituted by the Constitution (Amendment) Order 1980 (P.O 1 of 1980) an independent Federal Shariat Court was established in Islamabad with its Branch Registries in the four Provincial High Courts.

### 2.1 Composition of the Court and Appointment of Judges

Under the Constitution, the Federal Shariat Court shall consist of not more than eight Muslim Judges and out of them not more than three shall be Ulema (having at least fifteen

years experience in Islamic Law, Research or Instruction) including the Chief Justice to be appointed by the President of Pakistan on the recommendations of the Judicial Commission under Article 175-A of the Constitution.

## 2.2 Jurisdiction of the Court

Under Article 203-D of the Constitution the Federal Shariat Court may, on its own motion or on petition of any citizen of Pakistan or the Federal or Provincial Government, examine and decide the question whether or not any law or provision of law is repugnant to the Injunctions of Islam as laid down in the Holy Quran and the Sunnah of the Last Prophet (Peace be Upon Him). Furthermore, all cases punishable under the Hudood laws by the District and Sessions Judges are appealable before the Federal Shariat Court.

# **Lahore High Court**

### 3 Lahore High Court, Lahore

#### 3.1 History

History of the High Court at Lahore is spread over the last hundred and fifty years. By 1830, innumerable consolidated small principalities ruled by independent chieftains used to decide cases according to their discretions. Certain rules of customs for settlement of civil and criminal disputes through arbitrators governed the field, but they were by no means uniform or reputable. The Sadar Adalat Court (Chief Court) at Lahore was the sole Court.

In 1866, the Chief Court of the Punjab was constituted under the Chief Court Act, (IV of 1866) which was the ultimate Court of Appeal from the Civil and Criminal Courts in the province. The Chief Court was also vested with Extraordinary Original Civil Jurisdiction and Supervisory Jurisdiction over Subordinate Courts. In 1877, the Punjab Courts Act, (XIX of 1865) and the Chief Court Act (IV of 1866), were repealed by the Punjab Courts Act, (XVII of 1877), which consolidated and re-stated the law inter alia relating to the Chief Court.

After the partition, the Governor General of Pakistan fixed the strength of the Lahore High Court to six permanent Judges and one Additional Judge with effect from 28th September, 1948. During May, 1979 as a first step towards the separation of the Judiciary from the Executive and in order to fulfill the Constitutional requirement of Article 175 (3) of the Constitution of Islamic Republic of Pakistan, the Government of the Punjab placed the services of 41 Extra Assistant Commissioners under control of the High Court.

On the 1st of January, 1981, permanent benches of the Lahore High Court were established with immediate effect at Bahawalpur, Multan and Rawalpindi.

### **3.2 Composition of the Court and Appointment of Judges**

The Chief Justice and Judges of High Courts are appointed by the President of Pakistan on recommendations of the Judicial Commission under Article 175 (A) of the Constitution. A person having not less than ten-year experience as an Advocate of High Court or who is or has served as a member of a civil service prescribed by law for the purpose and has also served for a period of not less than three years as a District and Sessions Judge or who has experience of not less than ten-year as a Judicial Officer in Pakistan, is eligible to be appointed as a Judge of a High Court. A Judge of a High Court holds office until attaining the age of 62 years unless he resigns or is removed from office on grounds specified in the Constitution, namely physical or mental incapability or misconduct to be determined by the Supreme Judicial Council. The total strength of Judges of the Lahore High Court including the Chief Justice is 60.

### **3.3 Jurisdiction**

Under the Constitution, a High Court, besides appellate jurisdiction against the judgments, decisions, decrees and sentences passed by the civil and criminal courts, has original jurisdiction to issue writs of Habeas Corpus, Mandamus, Prohibition, Certiorari and Quo Warranto.

# **High Court of Sindh**

#### 4 High Court of Sindh

On the coming into operation of Part III of the Government of India Act, 1935, on the 1st of April, 1937, Sindh became a separate Province and the Judges of the Court of Judicial Commissioner of Sindh were appointed by Royal Warrant by the British Government.

As the Sindh Courts Act, 1926 followed closely the lines of the Letters Patent of the Bombay High Court, it was felt that the immediate need of the Province could be satisfied by bringing that Act into operation thereby raising the status of the Court to that of the Chief Court of Sindh. Ultimately the Government of India Act, 1935, was suitably amended by Parliament and on 15th April, 1940, the Sindh Courts Act, 1926, was brought into operation and the Court of the Judicial Commissioner of Sindh became on that day the Chief Court of Sindh.

In 1907, the Court consisted of a Judicial Commissioner, and three Additional Judicial Commissioners. However, in 1935, the number of Additional Judicial Commissioners was increased. In 1937, the Judicial Commissioners were designated as the Judges.

At the time of establishment of the High Court of West Pakistan the number of the Judges of the Karachi Bench was almost the same but subsequently it was increased to and on separation of Sindh & Baluchistan High Courts 12 Judges were allocated to the Sindh High

Court and 3 Judges to Baluchistan High Court. The present approved strength of Judges is 40.

After the 18th amendment to the constitution of Pakistan 1973, a Judge of High Court is appointed according to the Article 175(A). According to the Article 175(A), a Judicial Commission, chaired by the Hon'ble Chief Justice of Pakistan recommends the names of eligible persons to be appointed as Judge of High Court. The nominations are forwarded to the parliamentary committee for approval and the confirmed names are submitted to the Prime Minister who then forwards the same to the President of Pakistan for appointment.

No person is appointed as a Judge of the High Court unless he is a citizen of Pakistan and has been an advocate of the High Court or has held a judicial office for ten years and has for a period of not less than three years served as or exercised the functions of a District Judge in Pakistan. A Judge of a High Court holds office until he attains the age of sixty-two years, unless he sooner resigns or is removed from office in accordance with the Constitution.

The principal seat of the High Court of Sindh is at Karachi with a Bench at Sukkur and Circuit Court at Hyderabad and Larkana. The High Court may have more Benches at other places as the Governor on the advice of the Cabinet and in consultation with the Chief Justice of the High Court may determine Jurisdiction.

#### **4.1 Composition of the Court and appointment of Judges**

The total sanctioned strength of judges of the High Court of Sindh including the Chief Justice is 40. They are appointed by the President of Pakistan in accordance with Article 175-A of the Constitution. The Principal seat of the High Court is at Karachi with a Bench at Sukkur and Circuit Courts at Hyderabad and Larkana.

#### **4.2 Jurisdiction**

Under the Constitution, a High Court, besides appellate jurisdiction against the judgments, decisions, decrees and sentences passed by the civil and criminal courts, has original jurisdiction to issue writs of Habeas Corpus, Mandamus, Prohibition, Certiorari and Quo Warranto.

### 4.3 Original Pecuniary Jurisdiction of the Court

The Pecuniary Jurisdiction of District Courts all over the Country is without limit except the District Courts Karachi where the pecuniary jurisdiction was originally 25000 rupees. The jurisdiction beyond the said limit was exercised by the High Court of Sindh. The limit of pecuniary jurisdiction of District Courts in Karachi was enhanced from time to time to lessen the workload of original civil suits on the High Court. This limit was enhanced upto 15 million rupees under the Sindh Civil Courts (Amendment) Act, 2010.

# **Peshawar High Court**

## 5. Peshawar High Court

Consequent upon the dissolution of One Unit, which created four provinces and a High Court for each province, the President issued a separate Order for the establishment of High Courts according to which the High Court for the Khyber Pakhtunkhwa had to be called the Peshawar High Court, with its principal seat at Peshawar. Legal history evinces that the law of civil courts has separately been evolved since 1884, the same year in which the Punjab Courts Act was enacted.

In 1931, further steps were taken to consolidate and amend the law relating to courts in the province. In this respect the N.-W.F.P. Regulation No. 1 of 1931 was promulgated.

The Establishment of West Pakistan Act, 1955, which created the province of West Pakistan, comprised, inter alia, the N.W.F.P. Soon after the enactment of the said law, a separate High Court for the province of West Pakistan was created under the High Court of West Pakistan (Establishment) Order, 1955, Lahore as its principal seat and benches at Karachi and Peshawar. This repealed the former Lahore High Court, the Chief Court of Sindh and the Judicial Commissioner Court in the N.-W.F.P. and Baluchistan and any other Court functioning as High Court for any other specified territories.

### 5.1 Composition of the Court and Appointment of Judges

The total sanctioned strength of judges of the Peshawar High Court is 20 including the Chief Justice. They are appointed by the President of Pakistan in accordance with Article 175-A of the Constitution. The Principal seat of the Court is at Peshawar and its benches at Abbottabad, Dera Ismail Khan, Mingora and Bannu.

### 5.2 Jurisdiction

Under the Constitution, a High Court, besides appellate jurisdiction against the judgments, decisions, decrees and sentences passed by the civil and criminal courts, has original jurisdiction to issue writs of Habeas Corpus, Mandamus, Prohibition, Certiorari and Quo Warranto.

# **Islamabad High Court**

## 7 Islamabad High Court

Under the Capital of the Republic (Determination of Area) Ordinance, 1963 as required by clause (2) of Article 211 of the Constitution 1962, the area of Islamabad Capital Territory was determined.

By virtue of President's Order No.1 of 1970, the Province of West Pakistan was dissolved and in its place the four provinces Balochistan, North-West Frontier Province/Khyber Pakhtunkawa, Punjab and Sindh were constituted besides two centrally administered areas, namely, the Islamabad Capital Territory and FATA. In clause (2) of Article 14 of this Order the Islamabad Capital Territory was placed within the jurisdiction of the High Court of Punjab. Even President's Order No.8 of 1970 (High Courts Establishment Order 1970) established a High Court for the Province of Punjab and the Islamabad Capital Territory to be called the Lahore High Court Lahore with its principal seat at Lahore.

Article 1(2)(b) of the Constitution of Islamic Republic of Pakistan, 1973 declared status of Islamabad Capital Territory as of a distinct territory not forming part of any province. Article 175 of the Constitution provided that there shall be a Supreme Court of Pakistan, a High Court for each province and such other courts as may be established by law.

Although Islamabad Capital Territory had not been part of any province of Pakistan yet no independent High Court was established to cater for the litigation pertaining to its area, rather the previous arrangement as made vide Article 3(b) of President's Order No.8 of 1970 (High Courts

Establishment Order 1970) continued. Article 192(4) of the Constitution had provided about extension of jurisdiction of any High Court to any area in Pakistan not forming part of the Province and in this way the Islamabad Capital Territory remained under jurisdiction of Lahore High Court, Lahore.

By virtue of P.O. No.18 of 1980 followed by S.R.No.1316 (1)/80 dated 31.12.1980, the Islamabad Capital Territory attained provincial status for the purpose of its governance on administrative side but it remained without its own High Court. As a result of the Islamabad High Court (Establishment) Order 2007, a High Court for Islamabad Capital Territory was established but its cessation took place as a result of the verdict of august Supreme Court of Pakistan reported as PLD 2009 SC 879. Thereafter, the Islamabad High Court was established through Islamabad High Court Act 2010 (Act No.XVII of 2010) for Islamabad Capital Territory having original, appellate, provisional and other jurisdictions, as under the Constitution or other laws and also brought all Civil, Criminal, Revenue, Special Courts and Tribunals functioning in the Islamabad Capital Territory under the superintendence and control of the Lahore High Court, Lahore, under the supervision and control of the Islamabad High Court.

### **7.1 Composition of the Court and Appointment of Judges**

Total sanctioned strength of judges of the Islamabad High Court including the Chief Justice is 7 Judges. They are appointed by the President of Pakistan in accordance with Article 175-A of the Constitution.

### **7.2 Original Pecuniary Jurisdiction of the Court**

Under section 4 of the Islamabad High Court Act, 2010 the Pecuniary Jurisdiction of Islamabad High Court in respect of Islamabad Capital Territory was originally Rs. 10 million and any suit or proceeding having pecuniary value of 10 million rupees or more could be filed in the Islamabad High Court. However, this limit has been further enhanced since January, 2012 to Rs. 100 million vide the Islamabad High Court (Amendment) Act, 2011 (Act No. II of 2012).
